

Global Days for Darfur

Die-In, Rally and March for Divestment

Sunday, April 29
Boston Common
1:00 pm

Join us and represent the 450,000+ victims of the Genocide in Darfur. The time is now to spread awareness about the atrocities being committed. We will lie down in silence and march in solidarity to encourage divestment from Sudan.

WEAR WHITE

Band together and show support in the international color of peace.

Organized by STAND and the Mass Coalition to Save Darfur.
